

Eastern Energy Expo
May 19-22, 2024
Mohegan Sun
Uncasville, CT

Request for Presentation

Are you interested in sharing your expertise with those who are responsible for providing energy and home comfort services to millions of consumers in the Northeast? We're looking for speakers for the 2024 Eastern Energy Expo. Our open Request for Presentations process brings some of the best industry experts to present at our conference. If you would like to be considered for participating as a presenter at our convention, please fill out the form below. If you are submitting multiple topics, please fill out a different form for each topic. Please note that the deadline to submit your abstract is January 12, 2024.

NOTE: The Eastern Energy Expo committee will be reviewing all submissions to ensure that presentations are educational and not merely self-promotion for your company and/or product. **Presentations cannot be sales pitches.** However, for some Technical Track programs, products may be used for demonstration purposes. **If selected, you will be required to submit the final version of your presentation to the committee prior to April 26, 2024. Presentations not received by May 1 may be removed from the program.**
